The club voted to adopt the following motions:

Motion #1---For purposes of correspondence, and in an attempt to minimize costs of postage and copying, any GBC communication not specifically required to be sent by “regular of certified mail” (i.e. motions, ballots, etc.), may be sent either by electronic mail, (E-mail), or the US Postal Service.

Motion #2---Since the GBC never finalized or implemented a Boxer Pamphlet, all references to the “Pamphlet” will be deleted from the current GBC rules.
