Board of Directors Meeting

April 17, 2010

Attendance: Sherry Johnson, Deborah McAlpine, Ray Bateman, Don Norred, Rosemary Lichtenberger

Old Business: Sherry Johnson said we had pending business regarding the Board's recommendation to roll-back the dues increase from \$40 to \$30. Ray Bateman said he had been approached by two members that thought the increase was too much. Sherry Johnson said some of the members told her the same thing. Therefore, Ray made the motion that the 2011 dues be increased to \$30 rather than the original \$40. The motion was seconded by Rosemary Lichtenberger and passed by the Board. The dues are now \$30 per member.

Debbie McAlpine made a motion that Jackie Royce continue as the match judge for the next show. The motion was seconded by Sherry Johnson and passed by the Board. Debbie also expressed concern over the low number of judge's ballots that were returned to her. She said that she would try an email scan and see if that helped get an increase in voter participation.

Meeting adjourned.
