GBC January 31, 2015 - Correction to the Minutes

President's Report: Sherry Johnson brought up the issue of whether or not Junior Showmanship could be excluded from our **current requirement for GBC judge nominations**. Sherry explained that if it was a rule, we could change it - but, if it was in the By-Laws, we could not. She also noted that Junior Showmanship would be offered as a class but pointed out that there had not been an entry in 15 years. Debbie McAlpine made a motion to exclude Junior Showmanship from **being a requirement of judge nominations if it is a rule and can be changed**. The motion was seconded by Rosemary Lichtenberger. The vote was 10-0 in favor of the motion. **Sherry to check into this and advise if it will be changed.**
